

Allegro Pediatrics is currently recruiting for **Registered Nurses** for multiple clinics.

Our **Nurse** positions are full time with four 10-hour shifts. Our Nurses work under the direction of clinic physicians and clinic managers to provide excellent nursing care to patients in the clinic and on the phone. Our Nurse positions require a positive attitude while following all company procedures and maintaining a positive working relationship with staff, managers, directors, and physicians.

Requirements:

- Prior pediatric experience desirable
- Current WA State Registered Nurse
- Current CPR certificate
- Excellent customer service skills
- Ability to work independently and also as part of a team

Job Description:

- Provide live phone advice and education while adhering to Allegro Pediatrics' telephone triage protocol (Barton Schmitt); referrals; patient progress checks, hospital reports; lab report; etc.
- Chart all actions (phone calls, procedures, etc.), complete, and send tasks in Electronic Health Record (EHR)
- Triage all walk-in patients
- Assist other clinics with calls and tasks as needed
- Administer medications (PO, SQ, ID and IM) and inhalation treatment as ordered by the providers
- Perform Medical Assistant duties if needed
- Applicants must be willing to travel to all eight clinics, if necessary
- Applicants must be available to work on weekend and holiday rotations

Allegro Pediatrics offers a full benefits package which includes: two medical plan choices, dental, vision, and retirement.
